Mornington Wilderness Camp
Guided Tours 2021

**SIR JOHN GORGE SUNSET TOUR** *(4 HOURS)*
Set within the ancient and majestic Wunaamin Miliwundi Ranges, Sir John Gorge at sunset is one of the Kimberley's grandest views. Take a refreshing dip in the Fitzroy River, try to spot a Short-eared Rock Wallaby, and chat with your knowledgeable guide about Mornington's conservation operations and AWC's mission. Top it all off with a glass of bubbles and the chef's special 'Sunset platter', which are included in your package (chat to our friendly staff about your refreshment preferences).

$125 pp / $115 groups of 6-12

**LAKE GLADSTONE TOUR** *(HALF DAY)*
One of our most exclusive and popular tours, Lake Gladstone is the largest permanent wetland in the central Kimberley. Familiarise yourself with local and migratory waders and woodland birds from the bird hide. See how destocking herbivores can restore an entire ecosystem. Lake Gladstone is located on private property and is only accessible with one of our guides. Be prepared for an early start. Trust us – it's worth it! Included is a chef prepared breakfast, coffee/tea and binocular hire.

$185pp (min. 2 guests per tour) / $175pp groups of 4+

**ECO TOUR** *(1.5 HOURS)*
Explore the riparian habitat along Annie Creek with your guide. A rare opportunity to delve into the world of field science, AWC research and land management approaches. These tours are best taken early morning or later in the afternoon to avoid the midday heat and to give you the best opportunity to see a broader range of bird species. Your tour includes a refreshment and morning tea/ or/ afternoon snack.

$60 pp / $50 pp groups of 4

**FAMILY ECO TOUR** *(1.5 HOURS)*
Follow Annie Creek with your guide, who will help you understand Mornington's unique natural habitats. Keep your eyes peeled for wildlife and tracks. Kids can enjoy marking birds off on our Mornington Bird List and a colouring-in activity on return. These tours are best taken early morning/late afternoon to avoid midday heat and see a broader range of bird species. Refreshments and a morning/afternoon snack is included.

$140 (2 adults + 2 children) / $20 each additional child

**BIRDCALLING TOUR** *(2 HOURS)*
Mornington is a bird watching hotspot. More than 220 species have been recorded here, including nationally threatened species like the Gouldian Finch and the Purple Crowned Fairy-wren. 'Rise and shine' just before daybreak to listen to the sounds of the Kimberley and watch the birds in their element, while your guide explains how AWC is working to protect them. A warm beverage, breakfast snack and binocular hire is included.

$60 pp (max 8 guests per tour)

**DUSK AND DAWN TOUR** *(4 THEN 2 HOURS)*
Enjoy a breathtaking Kimberley sunset tour at Sir John Gorge, followed by a guided birdwatching tour the next morning. Mornington is home to more than 220 bird species - see how many you can spot with the help of your ecologist guide. Included in your package are sunset drinks of your choice (let our staff know your preferences) and a delicious cheese platter, along with coffee/tea and a breakfast snack in the morning.

$185 pp

**SAVANNA HILL SUNSET TOUR** *(2 HOURS)*
Relax with your guide at nearby Savanna Hill to watch the sun set over the magnificent Wunaamin Miliwundi Ranges. Enjoy drinks and a cheese platter as you take in world-class views and learn about AWC's work. Finish off your evening with an optional two course dinner at our Gibb River Road famous Bush Bar and Restaurant at an exclusive price.

$80 pp tour only / $130 pp tour and dinner
