It is a condition of entry to Paruna Wildlife Sanctuary (the **Sanctuary**) that all visitors be fully vaccinated against COVID-19 (i.e. you have received two doses of an approved COVID-19 vaccine and any booster vaccination recommended by the Australian Government and which is available to you).

The following circumstances are considered valid exemptions from the vaccination requirements:

If AWC staff have any concerns about the possible transmission of COVID-19 at the Sanctuary, we reserve the right to ask you to leave the Sanctuary, and any booking may be cancelled or rescheduled at AWC's discretion.

We ask that you please comply with the following directive and health measures when visiting the Sanctuary:

- practice physical distancing and maintain good hygiene;
